Re: United States v. Carlos Doninelli  
07 Cr. 752 (RPP)

Dear Judge Patterson:

I write to request a brief extension of time to file motions in the above-captioned case. The Government consents to this request.

At the initial conference in this matter, the Court set tomorrow, October 5, 2007 as the deadline for any defense motions. The only motion the defense is considering filing is a motion to suppress evidence obtained as the result of a search of Mr. Doninelli's vehicle. Due to the press of other business, I have not yet had an adequate opportunity to discuss the details of the search with Mr. Doninelli. For this reason, I request a one-week extension of time until Friday, October 12, 2007, to file any motions.

Mr. Doninelli consents to an exclusion of time under the Speedy Trial Act until the next conference, currently scheduled for October 23, 2007. The additional time is necessary to allow Mr. Doninelli and counsel to review the discovery materials and determine if any motions are appropriate. The need for additional time serves the interest of justice and outweighs the needs of the defendant and the public in a speedy trial.

Respectfully submitted,

David Patton  
Attorney for Mr. Doninelli
